

bubble

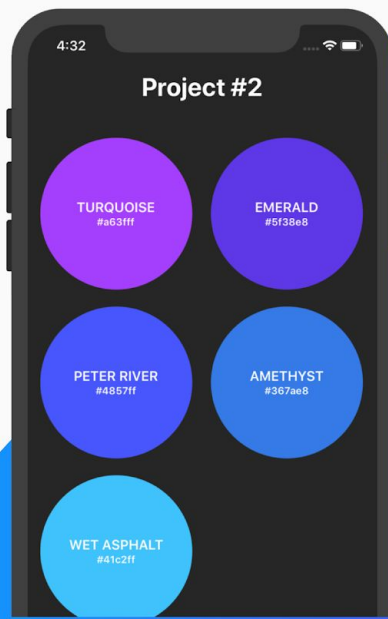

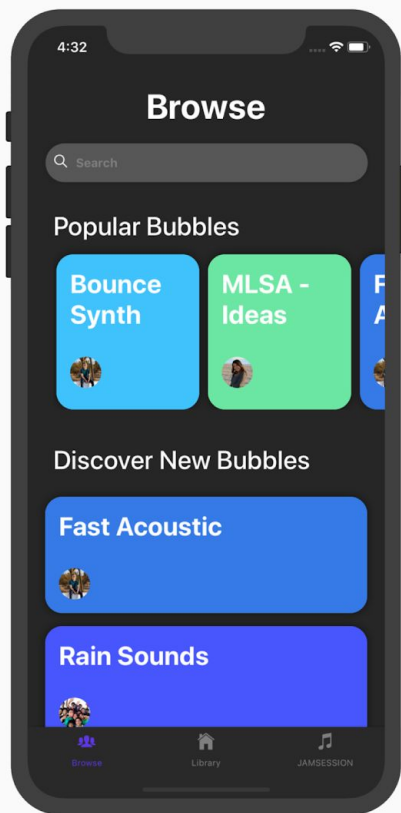

a music ideation tool

A large, irregular shape with a blue-to-purple gradient, resembling a stylized drop or a musical note, serves as a background for the text. The shape is wider on the left and tapers to a point on the right. The text is centered within this shape in a white, sans-serif font.

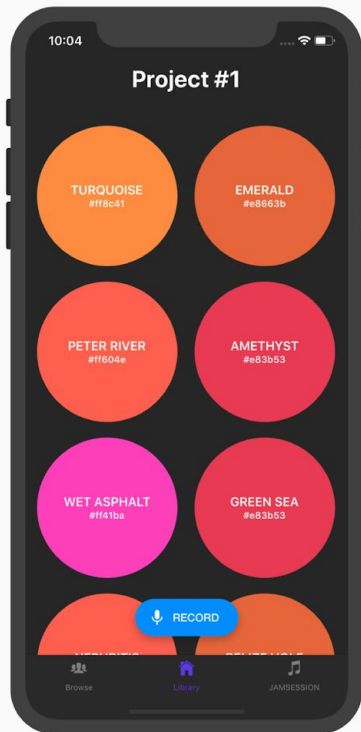

When it comes to making music,
it's difficult to capture original ideas
quickly and organically.

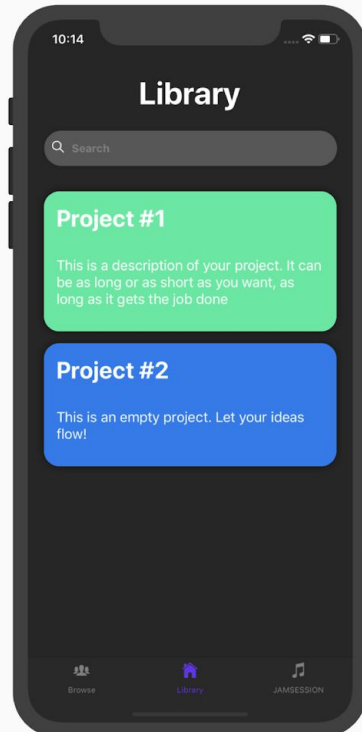

Peterson & Peterson (1959)

Why Now?

Digital music
creation is now more
accessible than ever.

Increased need for
ideation due to
content saturation.
